

Geography Vocabulary

EIFS	KS1	Lower KS2	Upper KS2
above	Aerial view	Arctic and Antarctic Circle	adaptations
around	aerial views	Athens	Arête
atlases	Africa	Belfast	biota
Australia	Antarctic Ocean	biomes	broad
Autumn	Antarctica	Capricorn,	buttress root
Attleborough	Asia	change	natural disaster
backwards	Atlantic Ocean	Characteristics	natural resources
bedroom	Australasia	climate zones	import
Brazil	Australia	community	equatorial
chimney	Beach	contour	Antarctic Circle
city	Belfast	cultural	sustainable
cold	Capital cities	decomposition	unsustainable
destination	Cardiff	distribution	resources
different	climate	earthquakes	products
door	coast	economic activity	industrial
dry	coast	effect	continent
Earth	compass	eight point compass	sub-continent
factory	Continents	energy	development
farm	Countries	Environmental	irrigation
forwards	cliff	Equator	terrain
garage	desert	erosion	features
garden	directions	Fieldwork	contour lines
globes	Distant	floodplane	subterranean
harbour	drought	grid reference	biomes
hill	East	graphs	climate zones
holiday	Edinburgh	impact	Conclusions
home	Eire	land use	current, contemporary
hot	Emblem	liana	densities
house	England	major cities	distribution of natural resources, water
Kenya	Environment	meander	supplies
lake	Equator	mouth	economic activity
left	Europe	natural resources	geographical diversity
local	far	Northern Hemisphere	interconnected
maps	features	nutrients	interdependent
mountain	forest	ordnance survey	land-use patterns
New Zealand	Geographical	Patterns	latitude
Norwich	globe	Places	locations sampling
Norfolk	human features	plans	loch
North Pole	human geography	political map	broad
office	ice cap	position	longitude
port	Indian Ocean	rainforest	measure
polar	Southern Ocean	Regions	Analyse
rain	Jamaica	Relief map	observe
rainforest	journey	Satellite	ordnance survey map
right	Key	trade	population densities
river	Landscape	settlement	Pompeii
road	Local	significance	random and systematic sampling,
roof	location	sketch maps	record interrelated
school	London	soluble	society
sea	map	Source	Statistics
seasons	mountain	southeast	Sustainability
shop	near	Southern Hemisphere	Systematic
similar	Nepal	Southwest	topological maps
snow	Norfolk	Spring, (water)	trade links
Spring	North	time zones	impermeable
street	North America	topographical features	percolation
Summer	North Pole	Topographical features	earthquake
South Pole	Northern Ireland	convection	water cycle
town	ocean	evaporation	Tremor
traffic lights	Pacific Ocean	precipitation	Tectonic plates
under	physical features cliff	condensation	
village	Physical geography	groundwater	
weather	plan	runoff	
wet	polar	materials	
wind		hemisphere	

window
Winter

Geography Vocabulary

pollution
rivers

tropical

arid
migrate

route
